STEERING COMMITTEE REPORTS

NEWSLETTER COORDINATOR'S REPORT

This is my last issue as the Newsletter Coordinator, so I wanted to take this opportunity to thank everyone on the Steering Committee, who has made this year an extremely enjoyable and rewarding learning experience.

I especially want to thank Yolanda, who was the Coordinator, and Suzy, who was the Editor when I first joined the committee. Without Yolanda's encouragement I would not have thought of running for the Steering Committee, and without Suzy's dedication and assistance I would never have been able to pull it all together and help create what has become a primo newsletter.

Last but not least I have to give my thanks and gratitude to those members who now make up the Committee. Their continued dedication to making the Newsletter better and better is very much appreciated.

Thank you, SACWN, Inc., for enthusiastically accepting the changes to the Newsletter and for bearing with me when things were not always perfect.

Thank you, Steering Committee, for your willingness to stretch, your commitment to creating a Newsletter that is not only informative but attractive, and for making my stay on the Committee so memorable.

Thank you, Newsletter Committee, for your dedication, your support and your patience.

Hope to continue seeing many of you at the programs.

Peace and continued success. God Bless all of you.

Lydia Roseby, Coordinator

FINANCE COODINATOR'S REPORT

The Steering Committee would like to thank everyone who attended the "Out in Suburbia" program in August. It is very exciting for us to put on a program that is so well attended.

We would particularly like to thank those of you who purchased your tickets in advance through the mail. For those of you who don't like to wait in line while we search for your tickets at the door, you might find that sending a self-addressed postage paid envelope for your ticket will make receiving your order more convenient.

The Steering Committee would like to apologize to those of you who had the courtesy to pre-register for this program but weren't able to find a seat. In the future, whenever possible, we will try to reward pre-registrants with reserved seating. As many of you know, the process of pre-registration allows us to predict how many women will attend and thereby plan adequate seating and food. As those of you who attended the August program might have noticed, when we have an additional 125 women show up at the door, providing adequate space can be a problem at the last minute. Please help us make SACWN events more enjoyable for all who attend by pre-registering whenever possible.

We greatly appreciate your patience with our rapidly growing all-volunteer organization. We have been very fortunate in attracting volunteers who are kind enough to donate their time and energy to making SACWN events enjoyable for all of us.

At our August Steering Committee meeting we finally decided on some short-term and long-term financial goals for this organization. As a short-term goal, we will put aside $4,000 to purchase our own computer within the next three years. Our long-term ("wish list") goals include leasing and/or buying a permanent SACWN Center, permanent space where we can have meetings, dances and other community activities. Of course we would like a paid staff to answer phones, process applications, send out tickets, and provide a referral service. You guessed it, our wish list is going to cost us more than we currently have on hand — our current estimates are between $16,000 and $40,000. These goals will take a while or will they? With the population of Sacramento currently at one million, there should be at least 50,000 lesbians in Sacramento. Isn't it exciting to think that a $1.00 donation from each lesbian in Sacramento could accomplish our goals sooner than we think!

STEERING COMMITTEE REPORTS

Over the past year, we have kept the SACWN membership informed through the presence of The HUB at all program meetings. Thank you, Linda Kingsley, for running about town for the last year collecting community information for The HUB and making sure The HUB was properly displayed. Sharon Liberatore deserves credit for the exciting centerpiece you will see at The HUB for the October dance. This is the surprise we have been telling you about and it will surely catch your eye.

The development of the Special Interest Groups has been one of the most satisfying accomplishments of the Networking Committee. We have seen the Special Interest Groups become one of the primary ways for you to meet other SACWN members and develop new friendships. Because of the intense growth of the Special Interest Groups, we recommended to the Steering Committee that this area become a separate SACWN Committee. Our idea was approved and next year the Special Interest Groups will have its own Coordinator. Ellie Zacks played a critical role in nurturing the growth of these groups and we want to acknowledge her dedication and commitment.

Many people have told us that they were thrilled with the last Networking Committee program. It was the best attended Networking program so far and we were pleased with your response. Several people worked to birth that creative program. Thank you Ellen French, Linda Kingsley, Ellie Zacks, Sharon Liberatore, Elaine Quabner, Joyce, Barbara Brass and Rosanna Herber for making that program come alive.

Finally, our last gift to you will be the **very first** SACWN Directory ever published. We feel excited to provide you with this new networking tool. We hope you will always look first to the lavender pages when you need a business service. The SACWN Directory will be available at the October dance. Thank you to Sharon Liberatore and Rosanna Herber for taking the lead in coordinating this project.

As October comes to an end, I will be giving up the Networking Committee Coordinator position to run for the Program Committee chair. I've enjoyed my time with the Networking Committee and look forward to being elected to another position that will challenge and inspire me.

Thanks for your support and remember to reach out to others and NETWORK!

CORPORATE COORDINATOR'S REPORT

At (and since) the September Steering Committee meeting we learned that 200 survey responses have been received — already an incredible 41% return! Special Projects Coordinator Yolanda Ortiz and Associate Jane Randall will have a full report for us in next month's newsletter.

Many thanks to all of you who took the time to give us your feedback and help in providing even better service to you in the future. (For those of you who volunteered, someone will contact you soon).

Much time was spent last meeting on procedural organization in an effort to lay the foundation for a smooth transition to a new Steering Committee next month. It's quite a challenge to run an organization serving more than 500 members with multiple activities every month with just one very hardworking part-time staff person and an otherwise wholly volunteer board and committee structure. At the same time that we're trying to keep events affordable, we're also trying to build up enough resources to fund more staff and office help. And we have now adopted a fully updated set of policies and procedures for running board and committee affairs, and a several step process for orienting, training, and building a new management team for 1989-91.

Please give us your support by voting in this month's election, and if you can, by volunteering to serve on one of our committees to help make things work for everyone.

One final note: in an effort to respond to your requests for programs on political, educational, and social awareness, we've added two more programs to next year's calendar, in March and May. Watch your newsletter for further details, and call the office with any ideas you have for larger, affordable meeting spaces.

Rosy Metrailer, Coordinator

ELECTIONS PROCEDURES

Inserted in your newsletter is your official ballot for Steering Committee elections.

Please note that this year, candidates were asked to declare themselves as running for specific positions. In some cases, there is more than one candidate for a position. Only one such candidate may be marked on your ballot, and the one with the greater number of votes wins that position.

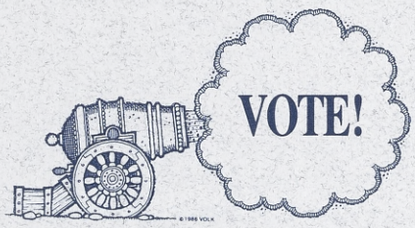
The candidates have submitted statements indicating their experience and reasons why they want to serve. Please read them before voting.

Your ballot has been numbered and randomly inserted in the newsletters to insure the validity and confidentiality of voting procedures. Instructions for voting and ballot return are on the ballot.

This ballot **MUST BE POSTMARKED BY OCTOBER 11, 1989,** to be counted in the election. New Steering Committee members will be introduced at the 5th Annual Meeting & Dance on October 21, and will officially begin their two-year terms November 3-5 at a weekend New Steering Committee Orientation and Retreat.

PLEASE VOTE AND TAKE PART IN YOUR ORGANIZATION — THE WOMEN WHO SERVE YOU NEED YOUR VOTE OF CONFIDENCE!

SACWN Steering Committee Candidates' Statements:



Linda Ragnetti - Marketing/Advertising Coordinator

PRIOR EXPERIENCE: Currently the Marketing/Advertising Coordinator for SACWN, Inc., having taken over that position on July 5. My past experience includes working as an Associate for both the Marketing/Advertising and Programs Committees, and as a volunteer for Special Events. I was also part of the Marketing/Advertising Committee for CAP/PAC's First Anniversary Dinner held in June.

STATEMENT: Marketing SACWN in the community has been an exciting experience, particularly as we have grown and expanded our events and programs. I would like to continue to contribute to SACWN's growth and be part of the decision-making process. Our shared common vision of SACWN is to provide a community for all lesbians; where all lesbians can be supported, nurtured, self-esteemed, and our boundaries expanded through whatever event, program, or special interest group we join. I would like to ask you to help me reach that goal. Thank you.

Jesse McGuinn - Finance Coordinator

PRIOR EXPERIENCE: During the four years that I have been a SACWN subscriber, I have served as a member and as Editor of the Newsletter Committee and as a member and as Associate of the Special Events Committee. In addition, I have assisted the current Finance Coordinator in the preparation of this year's budget. I have also served on various sub-committees as an Associate to the Steering Committee.

STATEMENT: I am interested in serving as SACWN's Finance Coordinator. I enjoy working with the women of SACWN and hope to simplify the budget process to make it a useful tool to aid the committee coordinators in bringing a variety of activities to the subscribers at affordable prices.

Ellie Zacks - Special Interest Groups (S.I.G.s) Coordinator

PRIOR EXPERIENCE: As the S.I.G.s coordinator, currently an Associate to the Networking Coordinator, I have been responsible for helping new groups get started, for coordinating newsletter information and for handling financial, interpersonal and policy issues.

STATEMENT: Special Interest Groups have mushroomed in the last 18 months from one to 13 groups. I have instituted quarterly meetings for S.I.G. coordinators to share their concerns and successes. As a voting member in this new position, I can be more effective in bringing your concerns to the Steering Committee.

Rosy Metrailer - Corporate Coordinator

PRIOR EXPERIENCE: I've worked on SACWN committees for 5 years, in various jobs — primarily Newsletter and as current Corporate Coordinator. I also serve as Vice Chair of the Sacramento Human Rights/Fair Housing Commission, representing the gay and lesbian community.

STATEMENT: I'd very much like to continue as Corporate Coordinator. I want to be part of building our women's community. I want to help SACWN transition into the challenges we face with our rapid growth, moving into the 1990s. Serving on the Steering Committee gives me professional and personal challenges; heartache and heartfelt moments; satisfaction, growth, and a feeling of community. I will give you back my very best effort; please let me represent you again.

Sally Rydell - Volunteer Coordinator

PRIOR EXPERIENCE: I have worked as a volunteer for the past three years, served as the Finance Coordinator's Associate for the past year, and coordinated the volunteers who work at the door at events for the past six months.

STATEMENT: I am interested in serving as SACWN's Volunteer Coordinator. My interest in this position comes from my enjoyment of meeting and working with the women of SACWN and the challenge of finding women to volunteer to help make events run smoothly. I have been attending and participating in Steering Committee meetings for the past year and believe that I will be an asset to SACWN and the Steering Committee if elected.

Joanna Cassese - Program Coordinator

PRIOR EXPERIENCE: The momentum of the SACWN Programs has never been at a greater peak than now. During the last three years our average attendance has increased from 55 to over 250 women and our membership is at an all time high of 512. I believe the committee that presently offers you Programs the quality of JoAnn Loulan and "Out in Suburbia" is the only committee that can lead SACWN over the next two years of tremendous growth.

STATEMENT: My goal for 1990-1992 is to offer a variety of educational and political programs along with well-known authors and public speakers, while keeping the cost to a minimum and the atmosphere safe and worthy of our subscribers. Beyond all of this, planning and presenting programs is what I love to do for SACWN and I trust that my comittment to you over the last 3 years will help secure your vote.

Rosanna Herber - Program Coordinator

PRIOR EXPERIENCE: My experience includes SACWN Networking Committee Coordinator, CAP/PAC Board member, and SACWN volunteer (ticket taking, Networking Committee, Steering Committee recorder).

STATEMENT: I'm running for Program Coordinator because I'd like to play a leadership role in bringing new ideas and entertainment to SACWN programs. I think SACWN needs to continue to offer reasonably priced programs featuring speakers who are successful lesbian role models. Programs should affirm our experience as lesbians and highlight issues we confront in everyday life.

Susan Goodrich - Networking Coordinator

PRIOR EXPERIENCE: The position of Networking Coordinator would allow me to draw upon my experience of serving on and heading committees for special projects, public relations and social activities, and organizing and presenting in-service and lectures at my places of employment as a speech pathologist. My community experience has been mostly in the field of drama, where I have acted, directed and done backstage work on local productions.

STATEMENT: SACWN has given so much to me in the past five years. I would now like to give back some time and energy to my community, to help the organization and women who helped me grow, by serving as Networking Coordinator. SACWN must continue to grow to meet the needs of an ever-expanding and ever-changing community of women, while continuing to provide a warm and comfortable gathering place for lesbians. I would welcome the opportunity to be a part of that challenge.

Jane M. Randall - Special Events Coordinator

PRIOR EXPERIENCE: Santa Clara County Parks and Recreation Dept. Recreation Leader/Lifeguard; Certified Recreational Therapist - De Anza College; Worked as a Recreational Therapist — coordinating special events for elderly persons. Three years Equal Opportunity Counselor; Occupational Safety Committee member; SACWN Steering Committee Associate.

STATEMENT: In my opinion, Special Events are the backbone of SACWN. It's through these events that socializing and networking occur and friendships and relationships are formed. I feel as though I have the experience to allow this to happen. Thinking back over my life I feel as though I have roughly 20 years of experience in the area of special events coordinator. I have been involved in coordinating projects for both children and adults. I have been involved in many community relations programs in which I have helped to coordinate various events for public safety. I believe with my experience I can be an asset to SACWN as the Special Events Coordinator.

I'm very pleased you had such a marvelous amount for the movie! I had the chance to catch it in the downstairs room. What a pleasure! The film was so thought provoking. I really enjoyed it and feel my own mind opening to a much more aware and positive way of thinking.

We'll hold our first meeting to organize the group on Tuesday, October 10 — call Ann at 383-9257. (P.S. - A hint, just to get you interested, *Madame Butterfly* begins in November.)

Remember, take your SACWN membership card to Special Interest Group events. As of this writing, we still need a coordinator for our Dance group. You don't need to know how to dance to be the coordinator. Group coordinators begin groups and help them get organized — it's a lot of fun for a relatively small amount of work. Call Ellie, 967-0611 for info. or suggestions for new groups.

Special Interest Group — S.I.G. Award)

This month, we are awarding two *Siggies* for the best 'blurbs' in the S.I.G. column — kudos to Vivian of Bridge and Sharon of ACA. More about the Siggies next month . . .

"SUBURBIA" DRAWS OVERFLOW CROWD

The video equipment was set up, the popcorn was popped and the Clarion/movie theatre was ready to show "Out In Suburbia." By showtime, the room was filled and the overflow crowd was accommodated in another room by a 19″ version.

The 250 women were not disappointed. The video was entertaining, informative and poignant.

Created by Pam Walton, a former Bay Area teacher, "Out In Suburbia" was a Stanford Graduate School project aimed at an "average heterosexual who thinks he/she doesn't know any lesbians."

Drawing upon the experiences of her lesbian friends, Pam explored in her video most of the major lesbian issues: i.e., coming out, coming out to parents, feelings about men, children, and the butch/femme issue.

Pam brought with her two of the "stars" in the film and she answered questions pertaining to the film's production and future plans.

The event concluded with a standing ovation for Pam Walton and murmured requests for a sequel.

We plan to rent the Community Center Theatre for "Out In Suburbia — Part II."
